Conference Programme – EGATEC 2024

About EGATEC 2024

The European Gas Technology Conference 2024 (EGATEC 2024) brings high-level representatives from the European gas industry, universities, companies, and many other stakeholders together.

EGATEC is at the cutting edge of the technical changes happening in our industry today. It provides a platform to exchange knowledge and experience on the challenges and opportunities the energy transition and decarbonization efforts.

The EGATEC 2024 will consider and discuss new strategies and innovative ideas to facilitate the gas industry's contribution to net-zero goals and upscaling state-of-the-art technologies including new gases and power-to-gas.

Organized under the auspices of MARCOGAZ and GERG, the conference takes place on 18-19 June 2024 in Hamburg. The conference is hosted by the Danish Gas Technology Center (DGC), the German Technical and Scientific Association for Gas and Water (DVGW), Gasunie and supported by the European Research Institute for Gas and Energy Innovation (ERIG).

Additional Side Events at EGATEC 2024

Get-together the evening before official conference start for casual chats and the time to get to know each other

Scientific Poster Exhibition with poster presentations by GERG Young Researchers on day 1 and a poster breakfast on day 2

Evening Event at Hard Rock Café Hamburg on 18th of June 2024 with barbeque dinner and drinks

Introduction of new MARCOGAZ president and Award Ceremony of the GERG Young Researchers' Awards during evening event

ORGANISERS

SUPPORTED BY

"EGATEC is dedicated to the crucial challenges of our time. It is the most important conference for the exchange of managers, experts and scientists. EGATEC offers the opportunity to learn about the latest advances and innovations, making it a great place for collaboration. Only together we can achieve these essential goals of making our energy system cleaner and more efficient!"

Alexander Schwanzer
Chairman of the EGATEC 2024 Programme Committee
Vice-President, MARCOGAZ

GET-TOGETHER

You are cordially invited to a get-together before EGATEC 2024 officially starts. All conference participants are welcome to attend, spend a convivial evening and share the anticipation.

- 17 June 2024, 6.30 – 9 pm
- Atlantic Hotel Hamburg

DAY 1: 18 June 2024

Topic 1 Opening and keynote

- 9 - 9.20 am

President Speeches

Liam Nolan
MARCOGAZ

Dr Murès Zarea
GERG

- 9.20 - 9.40 am

International perspective

Andrea Stegheer
International Gas Union

- 9.40 - 10 am

The Essential Role of Gases in the Dutch Energy System of the Future

Dr Jarig Steringa
GASUNIE

Topic 2 Hydrogen supply in europe

- 10 - 11.30 am

Moderation:

Thea Larsen
Board member,
Independent consultant

Impulse:

H₂ from Natural Gas - Norway

Svein-Erik Losnegård
Gassco

Hydrogen Supply to Europe - H₂ to Global

N.N.
H₂ Global

Certification of hydrogen for global trade

Barbara Jinks
Advisor on green gases

North Sea Energy Hubs with Hydrogen Production

Robert Evers
GASUNIE

Southern European Countries Perspective

Nicolas Jennison
Snam S.p.A

Panel Discussion & Open Discussion

► 11.30 - 12 am

Coffee Break

Topic 3 The hydrogen revolution

► 12 - 1 pm

Moderation:

Prof. Dr. Gerald Linke
DVGW

Impulse:

Hamburg Hydrogen Industry Grid - key building block for the climate neutral city of Hamburg

Dr. Elisabeth Ziemann
Gasnetz Hamburg GmbH

Power Production, Combined Heat and Power and Sector Integration

N.N.
Siemens Energy

Validated use of hydrogen in the heating sector for decarbonisation of the building stock

Andrea Manini
BDR Thermea Group B.V.

Empowering Green Growth: Spain's Strategic Blueprint for Hydrogen Leadership in Europe

Naiara Ortiz de Mendíbil Romo
Sedigas

Panel Discussion & Open Discussion

► 1 - 2 pm

LUNCH

 **YOUNG RESEARCHERS
AWARDS
2024**

► 2 - 3 pm

10th GERG YOUNG RESEARCHER'S AWARDS: FINALISTS' PITCHES

Topic 4 Hydrogen readiness of gas infrastructure and end use

► 3 - 4.15 pm

Moderation:

Sascha Grimm
Wien Energie

Impulse:

Conclusion MARCOGAZ Study

Gert Müller Syring
DBI

H₂ core network Germany: Development and status

Dr. Arne Dammer
Thyssengas GmbH

Underground Hydrogen Storage in depleted reservoirs with a focus on Underground Sun Storage 2030

Stefan Bauer
RAG Austria AG

H₂ Readiness of European Industrial and Domestic Uptakers

Kris De Wit
GAS.BE

Panel Discussion & Open Discussion

Topic 5 Social, environmental and safety responsibility

► 4.15 - 5.15 pm

Moderation:

José Miguel Tudela
Enagás

Impulse:

Environment, Health and Safety with hydrogen and other new gases

Marc T. Dröge
GASUNIE

Methane Emission reduction - aiming towards to Zero!

Dr Tobias van Almsick
Open Grid Europe

Safety and Integrity Applicable standards

Otto Jan Huising
GASUNIE

Panel Discussion & Open Discussion

YOUNG RESEARCHERS AWARDS 2024

► 5.15 - 6 pm

10th GERG YOUNG RESEARCHER'S AWARDS: CEREMONY

► 7 pm

EVENING EVENT WITH INTRODUCTION OF NEW MACROGAZ PRESIDENT AND AWARD CEREMONY

Evening Event Location:

Hard Rock Café
Bei den St. Pauli-Landungsbrücken 5
20359 Hamburg

DAY 2: 19 June 2024

► 9 - 10 am

Scientific Poster Exhibition

Topic 6 Biomethane and synthetic gases

► 10 - 11.15 am

Moderation:

Anne-Sophie Decaux
GRT GAZ

Impulse:

Biomethane as a part of the future energy mix

Mieke Decorte
European Biogas Association

Technologies for Synthetic Gases

Dr Frank Graf
DVGW Research Center at the EBI

Towards 100 % biomethane by 2030 in Denmark

Alexander Sejbjerg Mosegaard
Evida

Implemented technologies of Biomethane in Switzerland

Daniela Decurtins
Gaz Energie

Biomethane in France: reasons for success and challenges ahead

Nicolas Spilliaert
International project manager,
GRDF

Panel Discussion & Open Discussion

► 11.15 - 12 pm

COFFEEBREAK

Topic 7 Industry decarbonisation and CO₂ value chain

12 - 1 pm

Moderation:

Prof. Dr Horst Steinmüller
University of Linz

Impulse:

A new scalable DAC process

Dr Aleksander Makaruk
Axiom angewandte
Prozeßtechnik GmbH

CO₂ Transport

Steven Van Caekenberghe
Fluxys

Biogenic energy parks delivering renewable natural gas and carbon capture from agriculture residues

Peter Lindholst
Stiesdal SkyClean

Panel Discussion & Open Discussion

1 - 2 pm

Lunch

Topic 8 EU policy and regulatory perspectives

2 - 3 pm

Moderation:

Prof. Dr Gerald Linke
DVGW

Impulse:

EU Commission

Tudor Constantinescu
European Commission

International perspectives on gas markets, decarbonisation, policy and regulation

Dr Dennis Hesseling
IEA

Industry Representative / EU H₂ Partnership

Jorgo Chatzimarkakis
Hydrogen Europe

Panel Discussion & Open Discussion

Topic 9 Closing and keynote

3 - 3.30 pm

Keynote

EU Energy Strategy

Prof. Dr Karl Rose
University of Innsbruck

Keynote

Closing remarks

Alexander Schwanzer
MARCOGAZ

The 11th GERG Young Researchers' Awards @EGATEC 2024

EGATEC 2024 proudly hosts the 11th edition of the GERG Young Researchers' Awards. The Awards recognise early career European researchers who have displayed a commitment to excellence in scientific research and in creating solutions for the future of Energy.

The Young Researchers' event promotes interaction between European Universities and Research Centres, on R&D topics related to gas in the energy system. The key objectives are to encourage a dialogue between industry experts and academia, raise awareness, and enhance cooperation between our different communities.

EGATEC SCIENTIFIC POSTER EXHIBITION

Following previous practice, EGATEC 2024 will also include a technical poster exhibition presenting innovative and original research projects with a special focus on work in progress, upcoming research challenges, and new directions in the field of gas technologies.

We invite you to join us as the next generation of European researchers present the latest study results.
